

Disappointing Finish a Promising Rally

ON the run of play, Cambridge City deserved to lose Saturday's home Southern League match with Bedford Town, but the manner in which Bedford eventually gained their 4-2 win did not give any indication of their F.A. Cup "giant-killing" form this season.

An unfortunate own goal by City back Tommy Carroll and two somewhat soft goals, were enough to clinch both points for them.

One might have expected a little more enterprising game from the visitors who fielded almost the same side that took them to the Fourth Round of the F.A. Cup, compared with a City team, somewhat drastically re-shuffled and changed following the recent upheavals.

fight back and only a few minutes later Benning cut in from the right-wing to smack in a powerful drive, which keeper Wallace was only able to parry.

Moyses was on the spot to tap the re-bound into the net.

These two goals brought the game to life, and to the half-time whistle there was plenty of excitement, with City coming more into the game.

For the first 15 minutes of the second half City were the better side. Wallace produced some fine saves, but was eventually unable to stop Moore putting the home

side into the lead with a splendid shot.

Receiving the ball from Bone, Moore controlled it well, and drove high into the net from 15 yards.

Bedford showed their ability to come from behind, as they have in previous encounters with the City this season. Within a minute centre-half Collins advanced up field to nod a centre into the City's net.

It was City's turn once more to rally into the attack as excitement grew among the crowd. Benning, having his best match for some weeks on the right wing, was a constant danger to the Bedford goal.

Despite some fine fighting play by the City, Bedford eventually took the lead in the 77th minute, when inside-left Heckman put a seemingly safe ground shot towards goal from some distance out, which Jones failed to stop.

Disappointing

Four minutes to full-time Bedford increased their lead to 4-2, after left-wing Miles appeared to handle the ball. However, the whistle did not blow, and the winger was able to push the ball across goal for Bain to tap home.

It was a disappointing end for the City after a spirited mid-match rally.

COUNTY RELY ON SAME T.T. TEAM

For their match against Berkshire in the National County Table Tennis championships at Cambridge Y.M.C.A. next Saturday at 7.30 p.m. Cambridgeshire have chosen the same team who drew with Huntingdonshire recently.
It is: Keith Chapman, Alan Ponder, Paul Chisnall, Ron Nunn, Valerie Gillam, Margaret Cornwell.
Berkshire are not an exceptionally strong team but Cambridgeshire will do well to take both points and a lot depends on whether Alan Ponder, Paul Chisnall and Valerie Gillam can produce top form at this stage.
