

# City foiled by goal in last five minutes

City 1, Guildford 1  
Attendance, 2,847

Cambridge City lost a valuable Southern League point at Milton Road on Saturday, when they allowed Guildford to equalise only five minutes from the end.

## Huntingdon F.A. stake claim

The Huntingdonshire F.A. council decided to press their claim to be the parent body of the Football Associations in the enlarged county area — which will include the Football League "plum" of Peterborough United.

But they are likely to face strong opposition, with the support of Mr. Harold Trelfa, who represents the Huntingdonshire League Division I and its a Peterborough F.C. director, told the council "It was discussed at some length and there was division on the board, although nothing vindictive."

The secretary, Mr. A. E. Harvey, reported on replies to the council's invitation to a meeting on the subject. Peterborough United and the Peterborough League will attend, but the secretary of the Peterborough and District F.A., Mr. A. Tippler, said that although they would send representatives he did not think any useful purpose would be served. The Peterborough and District Sunday League said they were satisfied with the present administrative arrangements with the Northamptonshire F.A. although they wanted to be informed of all developments.

All these organisations are at the moment affiliated to the Northamptonshire F.A. who are understood to be opposing any attempt to take them away.

## Goal-shy front line to blame for losing

Rainham 2, Histon 0.

Histon's goal-shy forwards had only themselves to blame for being beaten by Rainham on Saturday.

They had plenty of goal opportunities laid on by their powerful half back line, in particular by left half Willson who played an outstanding game.

Credit should also go to their goalkeeper, Smith, his daring, acrobatic saves kept the lively Rainham attack at bay for most of the 90 minutes.

The only slip he made came after two minutes when he fell to check a lob from Rainham's inside right Parker.

The other goal — in the 65th minute — came from inside left Hurley while Smith was unrighted.

## United well beaten at Worcester

Worcester City 4, Cambridge United 1.  
(Attendance 2,376)

Cambridge United said goodbye to almost any chance of finishing Southern League runners up when they crashed to Worcester City at St. George's Lane, Worcester on Saturday.

However the visitors did not play badly. It was just that a superb Worcester side hit top form. A true score for the game should have been 8-4 in favour of the home side. Slack, in the United goal, pulled off a succession of superb saves and one effort from a pile-driver from McParland brought congratulations from the Worcester skipper himself.

The visitors had their chances to score, but hesitancy in front of goal cost them the chance. After the home side had started in sensational fashion, scoring two goals in the first five minutes, United settled down to have an equal share of the play for over an hour, and Worcester were not safe until Cutler scored the third in the 69th minute.

Hobbs scored from the penalty spot and almost netted a few seconds later when his header hit the inside of the post.

But Worcester were the masters on their own mud heap, and they

made sure with a fourth goal eight minutes from time. McParland and Deacey (penalty) were the two early scorers for the home side.

## Simple error cost Cambridge dear

Cambridge 6 points, Norwich 18.

Despite a furious rally 15 minutes before the end, Cambridge R.U.F.C. unexpectedly went down to a determined Norwich side at Granchester Road on Saturday. Two give-away tries for the visitors clinched the game for them in the last minutes.

This was a disappointing result for the City, who were very nearly at full strength. But it might have been a profitable lesson, if they have learnt that elementary mis-

takes cost dearly against teams of the calibre of Norwich.

Cambridge were five points down after only seven minutes, Martin taking full advantage of a break-away by Smith, and Jones converting comfortably. The experienced Jones, at full-back, continued to harass the City, and he himself landed a dropped goal after 15 minutes.

In Cambridge's first serious attacking move, Peter Johnson went away from a five-yard scrum and over for a try, when, logically, he should have passed inside—but it was a good score.

Cambridge started the second half strongly, Smart touching down between the posts to put them within sight of an equalising attack. It was not to be, however, for Norwich again won supremacy in thought, speed and reaction. The Cambridge forwards were very untidy in the loose.

Although Smart and Hunter might have added to Cambridge's tally, the City had no excuse for completely misjudging their own line-out five minutes before the end. Martin intercepted for an easy try which Jones converted.

Cambridge had no answer, and Martin slipped through again for a further Norwich try in the last move of the game. Jones relentlessly made it a goal.

# Shaky victory little credit to United

Cambridge United 1, Folkestone 0.

Cambridge United sneaked home to a shaky victory in the Southern League Cup quarter-final match against Folkestone at Newmarket Road, Cambridge, on Monday. The visitors were unlucky not to have forced at least a replay.

### Players! Pull your weight

They had what appeared to be a good goal disallowed for an infringement which the referee himself did not see. He was going to award a goal when a linesman flagged and after a consultation the referee awarded United a free kick. But after the game, United's goalkeeper, Andy Smith, admitted it was a fair goal.

The home side were completely unconvincing and even with this disallowed effort it seemed that Folkestone would force a replay. But after the game, United's goalkeeper, Andy Smith, admitted it was a fair goal.

### Good chance

United were the winners of the Southern League Cup three seasons ago, and if the luck that they had on Monday remains with them for the rest of the competition they must have a good chance of winning this year.

Tomorrow the two teams meet again at Newmarket Road, this time in a Southern League match. The win must have given United a lot of hope for two points, but the team will have to play better than it did last time to make sure of victory.

The Folkestone defence is a strong, robust unit that is capable of holding most attacks, but their forwards are woefully weak with only Biggs, at centre-forward, a real menace.

### 'Let down'

The statement went on: "It is evident that in some recent matches certain professional players have not played as well as is hard as they should have done and the club are the player-coach have been let down very considerably."

The committee said that both they and the player-coach would like to sign new players, but wages required by some of those in whom they have been interested have proved unrealistic in relation to their known ability and have also been beyond the club's purse range.

They also repeat that no amateur player requiring expenses higher than those laid down by F.A. regulations, to which the club strictly adheres, will be signed. The statement said: "It does not help matters that the reserve team have had a very bad season and consequently first-team players are not having to fight hard for their places."
